

# Disney Springs Scavenger Hunt

- Helium Balloon

Feel light as a Magic Feather as you float up above on a tether.

- Alligator That Opens & Closes Its Mouth

At this waterfall I'll see ya later where you will find a snapping gator.

- Stitch That Squirts Water

The alien perched on top of the "world" will squirt you with water, so give this a whirl.

- "Brickly" The LEGO Dragon

This silly sea serpent is a sight to behold. He's built from the bricks of a Danish mold.

- Maleficent in LEGO

An evil fairy transforms in the night to this magnificent dragon stacked with fright.

- Sleeping Beauty & Cinderella Statues

From two magic kingdoms these princesses arrive. They are only displays, but they look so alive.

- Disney Springs Water Tower

This towering structure appears to be old. It welcomes new guests with a sign big and bold.

- Disney Springs Wooden Water Wheel

In the center of town the springs welcome all and this wheel makes them rise and fall.

- Rocking Chairs At The Welcome Center

You'll feel welcome when you get off your feet. At this town center porch you can rock to the beat.

- Active "Volcano"

Fire and smoke might seem dangerous to some, but tis active volcano is all about fun.

- Giant Bowling Pin

You can hear pins drop They're huge, you'll discover. When you come down the lane you will soon be bowled over.

- Cars That Drive In The Water

Amphibians live in water and land, but ampicars are truly grand.

- Brontosaurus Fossil

This long necked Dino was really cool. Now it's a fossil where you find fuel.

- Any Character Topiary

Disney Magic takes its shape by adding character to the landscape.

- Carousel

These horses made in Italy, prance in circles for you and me.

- Christmas Tree

In the Holiday Season there are more to see, but here year round, you'll find this tree.

- Train Ride

In the Marketplace, you can cut loose between the engine and caboose.

- Mickey Balloons

The most beloved of all toons is characterized in these balloons.

- Giant T-Rex

With Tiny arms and Jaw open wide, this Dino welcomes you inside.

- "Frozen" Wall Mural

This artful wall is cool to touch, does it feel "frozen"? Not so much!
